Jane,

We don't have specific next steps currently scheduled because of staffing issues related primarily to UNEA and Ted's retirement, but yes, a next step we will take after UNEA is to meet with HHS. We will also be reaching out to UN Environment to get a better sense of how they intend to coordinate with WHO. We need to do some further brainstorming on this.

Marianne,

Thanks again for the WHO TP's. What are the next steps – meeting with HHS? Follow up with WHO?

Jane

Hi Jane,

You may want to draw from the attached points for the WHO Air Quality and Health agenda item at tomorrow's OITA-OAR meeting.
